

MISSION & VISION STATEMENT

Mission statement

The Company is committed to provide world-class ship management services that meet or exceed safety, environmental and customers' requirements and to conduct its operations in a manner which protects human health, safety, environment and property. This will be achieved by the Company's total commitment to:

- Implementing, maintaining and communicating our Policy and objectives to all employees and other interested parties.
- Establishing, promoting, monitoring and reviewing health, safety, quality and environmental (HSQE) objectives in order to materialise this Policy.
- Providing adequate resources to promote its Policy.
- Continuously improving safety management skills and competence of shore staff and seagoing personnel, by promoting familiarization, training and drills.
- Continuously improving the effectiveness and performance of the CMS.
- Ensuring compliance with mandatory rules and regulations and taking into account all applicable Codes, resolutions and standards recommended by the IMO, relevant Flag Administrations, Classification Societies and Maritime industry organisations.
- Establishing safeguards against all identified risks to life, health, property and the prevention of pollution and promoting HSQE practices and a safe working environment.
- Being prepared for emergencies.

The Company aims to achieve the goals of ZERO incidents and ZERO spills through continuous improvement.

Company's vision

The Company believes that ecologically sound and safe, seaborne trade promotes world peace, supports a unique form of communication between nations and assists the development of peoples who strive to improve their standard of living.
